

How to add init script as a service

1. You need to create a script file inside of

[crayon-6684e1a9d5178943200469/]

We will add this script to chkconfig

[crayon-6684e1a9d517f556815782/]

After list the CHKconfig LIST

[crayon-6684e1a9d5181289315652/]

Start the service

[crayon-6684e1a9d5183933531493/]

Example Init Script

[crayon-6684e1a9d5186230089409/]
