*/  
// Move more out of the for loop.  
  
using System;  
  
public class Empty2 {  
public static void Main() {  
int i;  
  
i = 0; // move initialization out of loop  
for(; i < 10; ) { Console.WriteLine("Pass #" + i); i++; //  
increment loop control var } } } [/csharp]
```
